BIO

Alex is an aspiring actor with a passion for exploring all aspects of performance, from stage acting to movies and commercials. Alex is already a rising star in the world of drama and musical theatre. Bitten by the acting bug in 2022, she quickly made her mark by landing one of the lead roles in **Shrek the Musical** in 2023. Her performance as Dory in **Finding Nemo** further showcased her natural talent, earning her praise for her comedic timing, strong stage presence, and powerful vocal projection. Despite her young age, Alex brings a remarkable level of professionalism and commitment to every role she plays, proving that she's an exceptional talent on the rise.

Eager to continuously develop her craft, Alex is driven by a love for storytelling and a deep curiosity about the nuances of different acting mediums. With a strong work ethic and a commitment to growth, Alex seeks opportunities to sharpen her skills and leave a lasting impression in every role she undertakes. Whether on stage, in front of the camera, or in commercials, Alex is determined to bring authenticity, energy, and versatility to every performance.
