# BIO

I have been acting for over 30yrs, first starting off in Tops of The Town and then going on to study Drama & Dance in Marino college.

Being part of the amateur dramatics group in Greenhills is where i found my love for Comedy. I was part of the award winning comedy team and continued to write comedy sketches for various groups in Dublin & Kildare.

I have a love for stage and have been very lucky to be part of the Irish Premiere of the comedy play " Dirty Dusting " with Mansworth Productions, we just about finished the tour before covid hit and will do another nationwide tour starting in Oct 2022.I am also part of the cast of "Waiting for Gateaux" also starring Mary Byrne & Eilish O'Carroll, on in May 2022 with Mansworth Productions.

I have also played the part of "Ma Lil Doyle" in "What would ma say" a play about family life living in the Tenements of Dublin. with Quill Productions.

I have played many parts in short films and most recently a pilot for a sitcom. Written numerous comedy sketches, children's poems, sketches and short plays which have been performed in various locations throughout Ireland
