BIO

I had the privilege to train in Theatre Performance for two years, with Belinda and Ian Wild getting to perform our end of Year Plays to audiences in the College's Purpose Built Amphitheatre, designed in inspiration of The Globe theatre in London, especially because Ian and Belinda were such Avid Fans of Shakespeare. Since then I've went on to train at the Gaiety School of Acting, taken part in Numerous Stage productions, and have worked in T.V and Film as well.
