BIO

Trainee actor who started of as a background artist, then gained experience into acting in short films after completing a few intense camera acting short courses. I moved out of home in April 2022 to gain more experience into film industry which got me as stand-in and double role in Netflix production. Since then I have taken work as runner for a feature pilot. I have done various roles for this production from creating paper works to doing crew work with a featured Extra role.
